### *Shipping Policy*

Most orders are shipped via USPS within 3 business days of your order. Please allow 3-10 business days for delivery in the US; international shipping may take up to 20 days.

We make every attempt to deliver your product as fast as possible but we cannot guarantee delivery time. To ensure that you receive your order when you need it, please plan accordingly.

During the holidays, please place your order at least an extra week prior to ensure timely delivery.

Once your order has been shipped, you will receive an email informing you of your package being shipped.

Shipping costs are in addition to the cost of the product and determined by USPS or other carriers' standard rates.
